Revel
SYSTEMS

As the most versatile scale option, the Brecknell 6720U allows for the maximum functionality of scale integration with Revel POS Systems. Frozen yogurt shops, delis, cafes and QSR restaurants can use the fast and reliable stainless steel scale to save time and money by quickly scanning food items.

Brecknell 6720U Scale

For scale-friendly stores, making sure items are weighed with accuracy and safely

Unit of Measure
kg, lb, oz, g, lb:oz* (*non-NTEP)

Check Weighing
